Checklist to build pages

Part 1: High-Level Website Structure (The Pages to Build)

Your developer needs to build the following 5 pages/sections:

1. **Home / Shop Page:** The main landing page displaying your story and the 3 distinct product boxes.
2. **About / Licensing Page:** A dedicated page explaining the brand, featuring your commercial kitchen authority and allergen warnings.
3. **Checkout Interface:** The functional, multi-step cart page where customer data is collected.
4. **Act on Specified Commercial Transactions (特定商取引法に基づく表記):** A legally mandatory static text page linked in the footer.
5. **Privacy Policy (プライバシーポリシー):** A legally mandatory data-handling statement page linked in the footer.

1 Home shop page

1. Home / Shop Page

- **[ ] Dynamic Global Inventory Cap:** The site must track a hard aggregate pool of **20 boxes max**. When total combined sales of all products hit 20, all buying options must automatically change to **"Sold Out" (売り切れ)**.
- **[ ] Box A Product Card (The Astro Sampler - ¥3,500):** Price must state "Shipping Included / 送料込". Text description must explicitly state contents are fixed (4 cookies + 1 mini banana loaf).
- **[ ] Box B Product Card (The Galaxy Sampler - ¥5,000):** Price must state "Shipping Included / 送料込". Text description must explicitly state contents are fixed (8 cookies + 1 medium banana loaf).
- **[ ] Box C Product Card (The 10-Cookie Box - ¥3,900):** Price must state "Shipping Included / 送料込". Text description must list the exact pre-set flavor breakdown (3 Chocolate Chip, 2 S'mores, 2 Double Chocolate, 2 Matcha White Choc) with no customization options.

2 About/Licensing Page

2. About / Licensing Page

- **[ ] Commercial License Display:** Text stating the products are baked under a certified Food Sanitation License in a commercial kitchen.
- **[ ] Core Allergen Notice:** Clear warning text listing the primary ingredients handled in your kitchen: *Wheat, Eggs, Milk/Butter, Banana, Soy, and Almonds*.

Manufacturing License & Food Safety Commitment

Food Manufacturing License Notification All Astro Bakes products are baked in a professional, commercial kitchen facility that officially holds a "Food Manufacturing License" (菓子製造業営業許可) in strict compliance with the Food Sanitation Act of Japan. Under the direct supervision of a certified Food Sanitation Manager, we maintain the highest standards of hygiene, equipment sanitization, and quality control to ensure every batch is safe and delicious.

Important Allergen Notice To ensure a safe experience for all our customers, please be advised that our recipes contain, and our kitchen facility handles, the following major allergens:

- **Main Allergens Handled:** Wheat, Eggs, Milk/Butter, Banana, Soy, and Almonds.

Detailed ingredient lists and specific allergen breakdowns are displayed on each product page and printed clearly on the food labeling stickers attached to the back of every packaged item. If you have a severe food allergy, please review these details carefully before placing your order.

3 Checkout Interface

3. Checkout Interface

- **[ ] Default Flat Shipping:** The system must default to **¥0 shipping** at checkout. No extra domestic carrier surcharges can be added to your flat-rate box prices.
- **[ ] Postal Code Address Lookup:** A 7-digit field (〒000-0000) that automatically populates the Japanese Prefecture and City/Ward upon entry.
- **[ ] Separated Mandatory Name Fields:** Two distinct, mandatory inputs:
    1. Full Name in Kanji (お名前 漢字)
    2. Full Name in Furigana Phonetic Katakana (フリガナ カタカナ)
- **[ ] Mandatory Yamato Time Selector:** A dropdown menu requiring customers to choose a delivery window: *No Preference, Morning, 14-16, 16-18, 18-20, or 19-21*.
- **[ ] Tester Promo Code Logic:** Active entry field accepting code `ASTROTESTER` which slashes the final balance to ¥0. Must be restricted to **exactly 1 use per email address** to protect your limited mock inventory.
- **[ ] Gateway Test Mode:** Active integration with Stripe/Shopify Payments test mode displaying operational mock buttons for Visa, Mastercard, JCB, Apple Pay, and Google Pay.

4 Act on Specified Commercial Transactions

Act on Specified Commercial Transactions (特定商取引法に基づく表記) page

4. Act on Specified Commercial Transactions Page (特商法)

- **[ ] Legal Identity Grid:** A static layout displaying Seller Name, Representative Name, Physical Registered Address, and your Business Email.
- **[ ] Explicit Transaction Terms:** Hardcoded text detailing immediate payment capture via credit card, flat pricing containing zero additional fees, specific shipping windows tied to your baking dates, and your no-returns/no-cancellations perishable food policy.
